

Europe and the Future of the Sustainable Development Goals

Organized by the UN Sustainable Development Solutions Network (SDSN)

Featuring the results of the Europe Sustainable Development Report 2026 (7th edition)

Wednesday, 11th March 2026: 1 – 2.30 pm (online)

Zoom link: https://us02web.zoom.us/webinar/register/WN_syK9q6eRTfqgPKBR75w8pw#/registration

The event will be recorded and posted on SDSN's YouTube Channel

Background:

This event, organized by the SDSN, will provide an opportunity to discuss priorities to accelerate SDG progress in Europe by 2030, but also Europe's leadership role in advancing sustainable development beyond 2030. It will bring together high-level speakers, including scientists and practitioners, and will feature the results of the 2026 edition of the Europe Sustainable Development Report, prepared in collaboration with SDSN Europe, the European Economic and Social Committee, and the Heinrich-Böll-Stiftung European Union|Global Dialogue.

Moderated by Dr. Guillaume Lafortune, Vice President, SDSN

Opening remarks:

- Prof. Jeffrey D. Sachs, President, SDSN
- Ambassador David Donoghue

Presentation of key findings and results:

- Grayson Fuller, Senior Manager, SDG Index & Data, SDSN

Pathways to sustainable development by 2030 and beyond: A virtual roundtable with institutions and civil society:

- Barry Andrews, MEP
- Eleni Nikolaidou, Expert Minister Counselor, Ministry of Finance, Cyprus Presidency of the EU Council
- Stoyan Tchoukanov, President of NAT Section, the European Economic and Social Committee
- Prof. Dr. Phoebe Koundouri, Co-chair of the UN Global Sustainable Development Report 2027, Chair of the UN SDSN Global Climate Hub, Co-chair of SDSN Europe, and Director of AE4RIA
- Lucian Parvulescu, Policy Coordinator, European Commission)
- Prof. Prajal Pradhan, University of Groningen
- Davide Cozza, Junior Analyst, SDSN/FABLE
