

Invitation

Dear friends and colleagues,

Arab Agronomist Association and Heinrich-Böll-Stiftung Palestine & Jordan are honored to invite you to attend an event to present the findings of the “**Baseline Study for Farkha Village**” by the researchers **Saad Dagher & Shehda Zaidat**. AAA is seeking to make Farkha village - Salfit the first eco-village in Palestine a model as starting point for converting the largest possible number of Palestinian villages to ecological villages. This baseline study will help us to identify how to move forward.

Monday, 05 December 2016,

11:00 a.m. - 01:00 p.m.

At Farkha village council hall

It would be a pleasure to meet you and have you with us in this event. We are sure you will enjoy the beautiful landscape of Farkha village as well.

Muqbil AbnuJeish
Chairman BoD
